Additional services

Each additional page will be charged 10 euros. Each additional picture is 1 euro. Annual maintenance of the site is 20 euros.
For emergency works to the site an hour of programmers work is 20 euros.

Useful information

- You are obliged to provide us within a reasonable time material (texts, images, selection of site layout).
- With the start of site creation we start 3 to 5 days from the time you pay 100% of the package + additional services if they wish.
- If we start a website because of your tardiness in submitting the material, pass more 2 months, it is necessary to discuss the extraordinary costs.
- We are not obliged to do proofreading your text, even if it is grammatically incorrect.
- Please review your content well before you provide us, for any subsequent correction will be charged. If you would repeatedly deliver the same content to a page of the site, we are forced to charge any correction of 5 euros per page for a substitution.
- When you provide material for possible updates on the site, keep in mind that it is impossible to do it at the same time, but within a reasonable period of 3 to 5 days.
- Logo of company we do not make (for the site is not necessary).
- At each site we at the bottom of the site put a link to a site www.superizradasajta.com. If you want to remove it, the price increases by 200 euros.
- Call +381-64-1471-298 for more information.
